Designing a
Multi-Professional Simulation

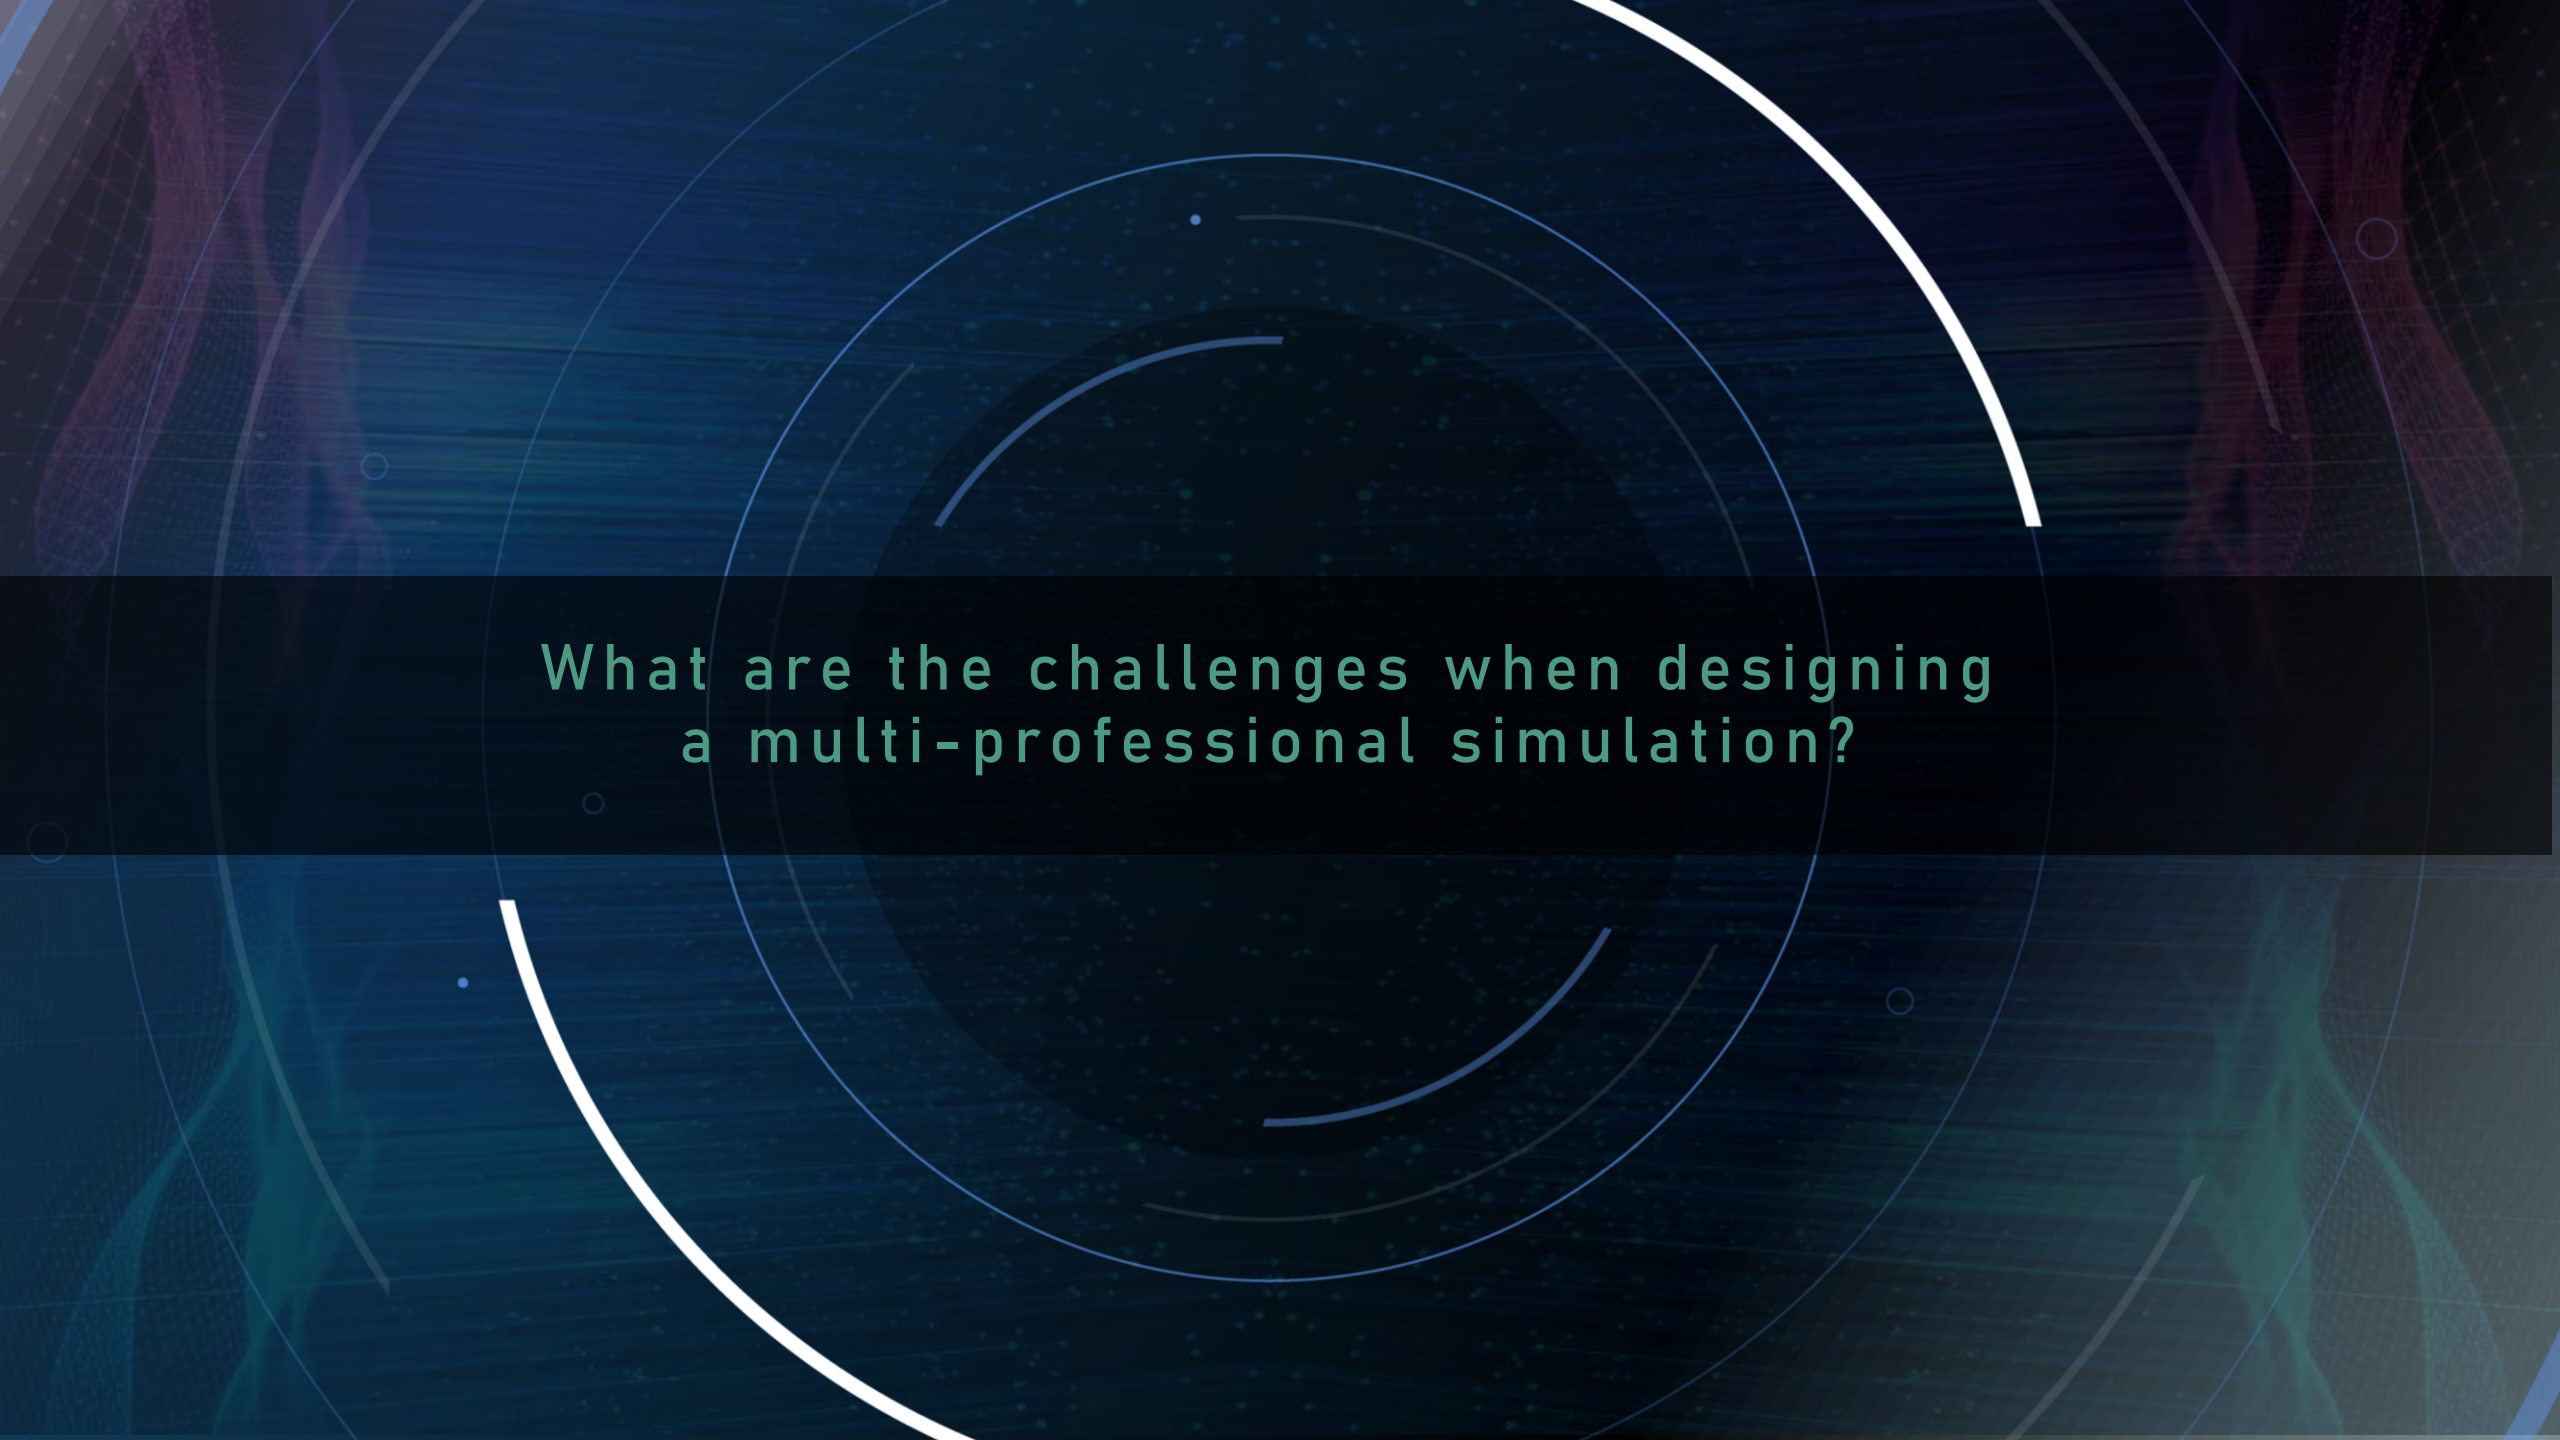

Medical Education Fellows

Structure

- Benefits of multi-professional simulation training
- Challenges of multi-professional simulation
- Video clip
- Addressing these challenges
- Q&A

The background features a dark blue gradient with several concentric circles of varying radii and colors (white, light blue, dark blue). A central horizontal bar is dark grey, containing the text. The overall aesthetic is futuristic and technical.

Why should we embrace more
multi-professional simulation?

The background features a dark blue to black gradient with a subtle grid pattern. Several concentric circles are overlaid, some in light blue and others in white. A prominent white arc is visible on the right side, and another white arc is on the left side. The text is centered within a dark horizontal band.

What are the challenges when designing
a multi-professional simulation?

VIDEO

The background features a dark blue gradient with several concentric circles of varying radii. A prominent white arc is visible on the right side, and another white arc is on the left side. The text is centered within a dark horizontal band.

How can we best address these challenges?

Thank you
