

# My Health Plan

# My Health Plan

**This health plan is for you to take home and use. Please bring it to every appointment – with both Intensive Behaviour Change practitioners and Peer Coaches.**

This booklet will help you with setting behavioural goals.

You can record an action plan and how you're going to monitor progress.

There is space to record multiple goals and/or update goals after reviewing your progress.

**Space to record goals can be found on pages 3-10.**

You can also record your daily activity, such as whether you remembered to take your statin, or how many minutes you walked each day.

You can record your activity once a day or multiple times a day, depending on choice and the goal set.

It might be helpful to write down activity each day, rather than trying to remember at the end of the week.

**Space to record activity can be found in the 'How I Am Getting On' section on pages 11-26.**

We have provided extra copies of 'My Behavioural Goal' and 'How I Am Getting On' in this booklet, for you to use once the UCLP-Primrose appointments have finished.

## My Behavioural Goal

You should use this section to set a behavioural goal. You can record your action plan and how you're going to monitor progress. Space to record your daily activity can be found in the 'How I Am Getting On' section (pages 11-26).

**My goal is to:**

**Why**

I have chosen this goal

**My Action Plan**

**Where**

I am going to go:

**When**

I am going to do it:

**How long**

I am going to do it  
(if relevant):

**With whom**

I am going to do it:

**How**

I will be supported by  
the people listed above:

**What**

Could help me achieve  
my goal:

**My Progress**

**How**

I will check how I'm doing  
(e.g. number of minutes spent  
doing physical activity):

**What**

Setbacks I could face  
and how I will cope  
with them:

**My Next Appointment**

**Date**

## How am I getting on

You should use this section to record activity, such as whether or not you have taken your statin each day.

There is space to record once a day or multiple times a day, depending on the goal set.

It might be helpful to write down activity each day, rather than trying to remember at the end of the week.
